SAGUACHE COUNTY DRUG AND ALCOHOL USE AND TESTING POLICY

PURPOSE: It is the policy of Saguache County to provide, to the extent possible, a work environment which is free from use/abuse of alcohol, illegal substances, or excessive use of prescribed or “over the counter” medications by its employees. The County believes that it is detrimental to the health and safety of County employees and the public to permit the use or abuse of such substances while County employees are on duty.

POLICY: It is the policy of Saguache County that no employee will use illegal substances or alcohol while on duty for the County. No employee will report to work while under the influence of illegal substances, alcohol, or while using prescribed medications in a manner exceeding the directions of the Health Care Provider, or use exceeding the directions of “over the counter” medications. Violation of this policy can result in disciplinary proceedings, which may include discharge from employment.

PRE-EMPLOYMENT TESTING: All final candidates for employment with the County will be required to submit to a drug-screen. This will be set forth as a requirement in all announcements for applications for positions. Final Candidates will be screened for illegal substances at the County’s expense. A copy of those results will be maintained in the Saguache County Administration Office.

RANDOM TESTING: The County can conduct random testing of employees for the presence/use of Alcohol, illegal substances, or excessive use of prescribed substances. All employees of the County are subject to such testing. In the event of testing for Alcohol, any employee who is tested and has a B.A.C. of .05 or higher will be deemed to be in violation of this policy. All employees will be subject to testing for the presence of illegal substances, alcohol, or excessive use of prescribed medications, on a random basis. Randomly selected employees will be provided instructions as how to complete the required tests and the time period for completing the testing.

FOR CAUSE TESTING: All County employees are subject to “For Cause” testing when the employee’s Supervisor or appropriate Administrative personnel have probable cause to believe that the employee is under the influence of alcohol, illegal substances, or an excessive amount of prescribed or “over the counter” medication. Such testing may also be required following a serious work-related injury or accident. Any employee required to be tested under this provision will be provided information as to how to complete the required testing and will be provided transportation when appropriate to the test site.

REFUSAL OF TESTING: Any employee who refuses to be tested under this policy will be subject to disciplinary actions, up to and including discharge from employment. Compliance with this policy is a requirement of continued employment with Saguache County.

POST-TEST PROCEDURES: Any employee who tests positive for the presence of an illegal substance, excessive use of a prescribed medication or “over the counter” medication, or in the case of alcohol, has a B.A.C. of greater than .05, will be immediately suspended pending investigation.

DRUG/ALCOHOL REHABILITATION: Saguache County believes that it is in the best interest of employees and the public to permit employees who violate this policy to have one opportunity for rehabilitation. Any employee who violated this policy will be provided the opportunity to seek and successfully complete a substance abuse treatment program, when the circumstances of the violation, and the recommendation of a physician or counselor, indicates that such treatment is appropriate. Following the successful completion of the program, the employee will be required to submit to random testing. Failure to participate in or successfully complete a treatment program will result in the termination of the employee. A second violation of this policy will result in termination of employment with the County.

The County’s Health Insurance provides for treatment for substance abuse and will be available for employees who are covered and violate this policy. Employees who are not covered under the County’s healthcare insurance, and who desire to continue employment with the County, will need to make private arrangements for substance abuse treatment.
